

Justin Johnson PMHNP-BC, CRNP-PMH

Work Experience (PMHNP; Student, Intern, CRNP-PMH)

Psychiatric Mental Health Nurse Practitioner

Nimel Mental Health-Berwyn Heights, MD

(Student) February 2025 to August 2026

(Intern) August 2026 to October 2026

(CRNP-PMH) October 2026 to current

- Perform full psychiatric intakes and generate initial chart for a full-care psychiatric office providing MH and SUD IOP and PHP
- Choose and administer screening tools as appropriate
- Generate differential diagnoses and treatment plans according to DSM-5-TR diagnostic criteria
- Recommend medication management options for each patient seen
- Recommend and order laboratory tests as appropriate; coordinate with primary care for tests anticipated not covered under my scope of practice

Student Psychiatric Mental Health Nurse Practitioner

NeuroProCares-Millersville, MD

November 2024-February 2025

- Perform basic medical intake for post-TBI and psychiatric patients for a practice containing LCSWs and doctors of psychology
- Attend and run psychotherapeutic groups for children, adolescents, and adults

Work Experience (RN)

Charge Nurse

Advanced Recovery Systems-Upper Marlboro, MD

September 2021 to Present

Registered Nurse/Charge Nurse

Southside Regional Medical Center-Petersburg, VA

April 2019 to August 2021

Stay at Home Father

Self-Herndon, VA

July 2017 to April 2019

Registered Nurse (RN)

Lewis-Gale Medical Center-Salem, VA

October 2016 to February 2017

Registered Nurse/Charge Nurse

Adventist Behavioral Health, Rockville, MD

July 2016 to August 2016

Charge Nurse/Staff Nurse

Adventist Behavioral Health and Wellness-Rockville, MD

January 2016 to August 2016

Accomplishments

Stabilized Cypress unit and provided consistent leadership for 6+ months after evening staff morale had demonstrated total lack of respect and trust for all people in authority, including the Charge Nurses. I was able to restore morale across my time on Cypress to the degree that Charge Nurses were given due respect, as well as such managers and doctors who entered the unit.

Registered Nurse I

Northern Virginia Mental Health Institute

November 2014 to November 2015

Charge Nurse/Staff Nurse

Dominion Hospital

October 2011 to November 2014

Areas of Experience

- Inpatient Psychiatric Care
 - Pediatrics and Adolescents (3 years)
 - Adults (5+ years)
- Partial Hospitalization Program (PHP) - Adults (1 year)
- Residential Psychiatric Care - Adults (3 years)

Responsibilities

- Managed care for 12-bed, 27-bed, 42-bed, 52-bed, and 56-bed (RTC) inpatient and residential units as Charge RN, Medications RN, and Floor RN.
- Monitored vital signs and executed medical practitioner orders.
- Ensured patient privacy, dignity, safety, and comfort.
- Led RNs, LPNs, and Mental Health Technicians to maintain a safe environment.
- Used therapeutic communication for de-escalation and applied restraints as a last resort per policy.
- Administered medications (IM, oral, subcutaneous, inhalant, nebulized, subdermal).
- Participated in and led rapid response teams for emergencies.
- Facilitated therapeutic groups for patient education and self-awareness.
- Educated families of pediatric/adolescent patients on medications and therapy.
- Contributed to treatment-planning meetings for individualized care protocols.
- Conducted shift chart audits for accurate orders and medication administration.
- Performed admission assessments and initiated Care Plans.
- Coordinated communication among providers, families, social workers, education, pharmacy, and dietary.
